

Family Life Bible Quizzing 2026-2027 Season Nationals Qualification Criteria

The quiz season culminates in the Bible Quiz Fellowship (BQF) National tournament in April. The Bible Quiz Leadership Team has established these criteria to clarify that participation is a privilege and requires a demanding commitment of time, effort and money. We desire to represent Family Life with honor, integrity and quality competition. Working towards these recommendations will enhance a quizzers' experience at the National tournament. We expect quizzers to have fun at the tournament but that is not the primary goal. It's a competition. We are using these to gain an overall picture of a quizzers' fitness for the tournament.
